### *General*

Under this License each express right we grant to you is subject to you complying with each express obligation or restriction upon you, save where the License expressly provides otherwise.

Where you have minimum rights protected by law which we cannot restrict, you may do anything concerning Macrium Reflect® and/or the Documents which is consistent with those rights.

No term of this License shall be construed to exclude or limit our liability for any loss, damage or other liability which cannot be excluded or restricted under applicable law (including (a) in the United Kingdom only, liability for death or personal injury caused by negligence and liability for fraud, and (b) the statutory rights of persons dealing as a consumer).

All provisions set out in this License are substantive terms and not merely introductory.

All obligations and restrictions upon you under this License are subject to the provisions of this “General” sub-section.

### **Your right to use Macrium Reflect® and the Documents**

Macrium Reflect® purchased licenses must be installed onto a Computer owned, leased or hired by you. Once you have installed Macrium Reflect® and entered your purchased license key, you may not transfer your purchased license key to any other Computer.

Macrium Reflect® enables you to make exact copies of the data stored on a Computer’s built-in media (“Images”). All Images must be restored to the Computer from which they were taken.

There are two (2) permitted “fair use” exceptions to these obligations:

1. If you permanently replace your Computer you may load Macrium Reflect® and your license key onto your new Computer provided you have removed Macrium Reflect® from your old Computer. Once you have done so, you can use Macrium Reflect® on your new Computer as normal and restore existing Images to it. However, you must not restore Images back to your old Computer.
2. If your Computer develops a hardware fault which makes it inoperable you may load Macrium Reflect® and your purchased license key onto a substitute Computer on a temporary basis whilst the fault is being repaired. You may then use Macrium Reflect® on that substitute Computer as normal and restore existing Images to it.

Once the hardware fault has been repaired, you can re-load Macrium Reflect® and your purchased license key back onto your repaired Computer (if required), and must promptly delete it from your substitute Computer.

Where we refer to using Macrium Reflect® ‘as normal’ above, we are referring to use in accordance with the terms of this License.

Your right to use Macrium Reflect® and the Documents is not exclusive. This means that we may grant to other persons the same or similar rights as are granted to you in this License

### **General Requirements**

A software-emulated computer (otherwise known as a “virtualized” computer) is a separate Computer for the purpose of this License.

You must at all times take reasonable precautions to protect the Computers on which a Macrium Reflect® purchased license is installed from unauthorized use.

You must only use a Macrium Reflect® purchased license for your own benefit and not to provide services for or on behalf of any other person including on a “service bureau” basis.

You must not transfer the rights you have under this License regarding Macrium Reflect® or the Documents to any other person, including by use of an assignment, license, sub-license, lease or trust. You must not sell, give, lend, rent, hire, distribute or otherwise make Macrium Reflect® or the Documents available to any other person or allow them to access or use Macrium Reflect® or the Documents in place of you.

Save as expressly permitted by applicable law, you must not do or try to do anything which would result in you understanding, at a technical level, how Macrium Reflect® works. This restriction prevents you from doing anything which may constitute decompiling, disassembling or reverse engineering. It also means you cannot do anything which would result in you obtaining the source code for Macrium Reflect®, or the algorithms or ideas in, or structure or organization of, Macrium Reflect®. In each case there is an exception for acts permitted by applicable law.

You must not, and must not try to, avoid, defeat, bypass, remove or deactivate any security measures included in Macrium Reflect®, including those that restrict its functions.

You must not modify Macrium Reflect® or the Documents or create anything that is derived from Macrium Reflect® or the Documents.

You may copy Macrium Reflect® for back-up purposes, which may be stored on any media you so choose in a safe location. You may only copy the Documents where reasonably necessary to enable your permitted use of Macrium Reflect®.

### **Ownership of Macrium Reflect® and the Documents**

Macrium Reflect® and the Documents are licensed to you and not sold.

All rights relating to Macrium Reflect® and the Documents that are not expressly granted to you under this License are reserved to us and the persons who have licensed software or documents to us; in particular, all intellectual property rights in Macrium Reflect® and the Documents (whether registered or not and wherever in the world these may exist) are our property, or the property of persons who have licensed software or documents to us.

You must not create or attempt to create any charge or other security interest over Macrium Reflect® or the Documents, or any copies of them.

### **Data Protection**

We both agree to comply with all applicable requirements of the Data Protection Legislation. This clause is in addition to, and does not relieve, remove or replace, either of our obligations under the Data Protection Legislation.

Macrium Reflect® contains functionality which enables us to verify your compliance with a purchased License, it does so by collecting and passing to us the identity of each Computer on which you load or attempt to load Macrium Reflect®. In addition, on purchasing a License you, or one of our distributors or one of our resellers will have provided us with certain Personal Data about yourself. We shall only use Personal Data for the purpose of administering and verifying your compliance with the purchased License, to provide you with Macrium Reflect® and the Documents and related support services contemplated by the purchased License, and to make you aware of new versions, updates, patches and fixes in accordance with our Privacy Policy [www.macrium.com/terms-and-privacy-policy-full](http://www.macrium.com/terms-and-privacy-policy-full).

### **Updates & Upgrades**

We may make new versions, updates, patches and fixes available over time at our discretion. We may make these available subject to additional or replacement terms and conditions. Where we make a new update, patch and/or fix available, these may be downloaded for free from our website: [www.macrium.com](http://www.macrium.com) or directly downloaded from within the software.

### **The Duration of the License**

Where we supply the Trial Version of Macrium Reflect® to you, this License has a fixed term which will automatically end after a stated period after the date on which you accept its terms and conditions. You must not use any of the trial features of Macrium Reflect® after the expiry date unless you are issued with a trial license extension. In order to continue to use Macrium Reflect® thereafter, you must obtain a purchased license from us. Alternately, on platforms where it is available, you can switch to using the Macrium Reflect® free edition license. This trial License may be terminated before the end of the stated term in the manner set out below.

Where we supply a purchased license of Macrium Reflect® to you, this License commences on the date on which you accept its terms and conditions, and shall remain in full force and effect forever unless terminated in the manner set out below.

A free edition License commences on the date on which you accept its terms and conditions, and shall remain in full force and effect forever unless terminated in the manner set out below.

## **Termination**

If you are in material breach of any of your obligations set out in this License, we may terminate this License immediately by informing you in writing that we wish to do so.

You may terminate a purchased License at any time by clicking on the “Remove License” button (which can be found in Macrium Reflect® under Help > Remove License Option).

## **Consequences of this License Expiring or Being Terminated**

Where this License expires or is terminated, all your rights under this License immediately cease. You must immediately cease using the license key and remove from any Macrium Reflect® installations. We may require you to certify to us in a form we specify that you have done so.

Where we supply a purchased Macrium Reflect® license to you, any license fees you have paid to us are non-refundable.

Termination of this License does not prevent you or us enforcing any rights you or we may have against each other, which relate to the period of time before the License was terminated. You and we may use any legal means available to you or us to do so.

All provisions set out in the following sections shall survive termination of this License: Ownership of Macrium Reflect® and the Documents; Consequences of this License Expiring or Being Terminated; Liability; Confidentiality; Injunctions; Governing Law and Disputes; Miscellaneous.
